My experience during the visit of lord hanuman 🙏🙏 in to our house

The moment god hanuman entered in to our house, I felt very very emotional and at the same time extremely happy. I felt we are so lucky to have this divine experience of having the temple god in to our house. We were able to perform the pooja without any obstructions. Once the pooja is completed, we all felt so satisfied, it is very hard to explain that feeling.

We felt completely blessed and felt as if we are under the shelter of lord hanuman.

My kids felt the same and I can't believe they donated money from their kiddy bank generously to Sri Rama temple, I think that is power of god, we are all blessed to provide whatever little that we could to offer to Sri Rama temple and blessed to be part of this divine journey .

We all know that What all we have in our life is purely god gift and this is our opportunity to give it back to god.

I request everyone to please perform this pooja with utmost devotion. To the people who are thinking of performing this pooja, please go ahead without any doubts, it is one of truly truly very divine and very very satisfying experience and a rare opportunity.

Thank you to Acharya sri padmanabha garu who performed this pooja so well and explained us the importance of this pooja

My humble thanks to the volunteers who were so helpful and guided us in every step. Thank you for doing your job so well and making our life easier.

Sarvam sri ramarpanamasthu, 🙏 Jai Sri ram, 🙏 jai hanuman. 🙏

Devotee Divine experience about the blessed pooja: Our preparations began a week ago to welcome Lord Hanuman to our home. On the day before the pooja, I prepared Tulasi Davanam Aku Mala with immense devotion while listening to and chanting Sundarakanda. It was unforgettable and blissful experience. As we eagerly waited, Anjaneya Swamy knocked on the door on the day of Pooja. From the moment Swami entered our home until Maha Mangala Aarathi, we all enjoyed following Guruji's instructions and Listening to his messages. Padmanabha Acharyulavaru guided and performed the Pooja very well in a simple and understandable way, allowing everyone can concentrate in this divine journey. Humble Pranams to Guruvu Garu. We feel fortunate to have this auspicious event of Sri Pavansutha Anjaneya Swamy Pooja at our Home. Thanks so much to the volunteers 🙏

This Puja of Gratitude is Unique, Special and one of its kind. It was meaningful, joyful and satisfying. One of the few fortunate moments of life. Everyone who attended in person and remote felt the positive vibrations and connection with the lord outside and within. Everyone felt the spark of divinity within themselves. Even before the physical temple in Georgia. Our beloved acharya ji started building temples in everyone's heart and started spreading awareness.

We were so blessed and very fortunate to have performed Sri Sarvadukhahara Anjaneya Swamy pooja at our home in Granite Bay(Sacramento area) on such an auspicious day of Bheeshma Ekadasi in Magha Masam during Sandhya samayam.... even though we didn't plan for it(that itself is a big divine blessing).

Our hearts and all the visitors hearts were filled with joy and happiness for the arrival of Lord Hanuman with such divine power of visiting so many punyakshetras from India.

It was a divine blissful experience. Though there were certain obstacles in the path of our hosting like the inclemental

Weather and personal challenges....Glad everything not only went great but beyond our expectations! Hats off to the energy levels of Guruvu garu for driving all the way and bringing and setting up everything so well organized and top of all for his AMAZING Sankalpam to perform so many Pujas all across the globe!

We really enjoyed his long detailed enlightening story telling at the end of the Puja the most that everyone were engrossed including even my sons listened all through patiently. Thank you to the volunteers and all those behind the scenes and we wish all the very best for upcoming BSRT of USA. Jai Sri Ram! Jai Sri Anjaneya!
