This Hanuman Pooja has created a strong positive vibration for all of us. When Gurujī enacted Chiranjeevi Hanumanji's visit to our home by knocking the door, we felt a deep sense of humbleness inviting the Hanumanji into our Home. The moment Gurujī handed over the Flag Mast adrenaline gushed through my veins with excitement. This got amplified when Gurujī handed over Chiranjeevi Hanuman's Moorthy in my hand. I just could not express those astonishing moments by words - one has to experience it by themselves with devotion. Gurujī has setup the environment with good ambience and patiently explained Hanumanji's message - The sacred Diplomat of Sri Ram in the construction of Temple in Atlanta.

We are eagerly waiting the temple be consecrated at the earliest to have a blissful darshan of Ram Parivar and seek the divine's choicest blessings showered on us.

We are profoundly grateful for the divine darshan of the Ram Parivar and the chance to welcome Hanuman Ji into our home, worship him, and join in his yatra. Our family feels truly blessed to have performed the Hanuman Pooja at our residence. Witnessing the Ram Parivar while welcoming Hanuman Ji was an exceptionally special and spiritual experience. Holding Lord Hanuman in our hands and performing the Aarti was an unexpected and surreal moment. We are deeply thankful to Gururji for the divine puja, the abhishekam, and the insightful explanations of the Lord's greatness and the temple's history. The stories shared overnight with the children made us feel incredibly fortunate. Our heartfelt thanks go out to Gururji and all the organizers who excelled in coordinating the events.

Jai Sri Ram 🙏

Being living in USA sometimes it gets so hard to go to India and visit our favorite religious places. When I heard about Ayodhya and had Darshan of Shri Ram on television I wanted to go to India and visit Ayodhya but my husband got diagnosed with Alzheimer's three years ago and getting worse day by day so there is no way I could go to India but then can't believe that got a call about Guruvogaru coming with Ram parivar. I was little hesitant about how I will do puja with my husband's condition but it went so well. Our older daughter Amita did puja instead of my husband. Then Hanuman Ji with Ram Parivar went to our younger daughter's house on 12/15/2024 and blessed her family also. We feel so blessed to have Darshan of Ayodhya and Hanuman ji staying with us.

Thank you so much Guruvu garu ji for bringing Ayodhya to our home .

This year 2024 has been a very emotionally hard year for me and my family. I lost my grandma who is very dear to me, got shingles (twice) n healed.

I was in such a state where I was very low emotionally and needed to feel that divine presence with me to get me through this phase. To give me that hope and had to know I was not alone and had god with me all the time. It was in the midst of all this that unexpectedly in October I got a call from guruvu garu checking in on us right after the hurricane and also letting me know about the possibility of Hanuman puja yatra. That was the first answer to my calls and prayers here I was asking to make me feel the presence and there he was making plans to come home to take care of us.

I knew it was too early then Sandhya garu (a great devotee from the SEVA group reached out to give details about the yatra and also collect information about how many devotees are interested to do puja)
In November I heard the great news that the yatra was coming to us, hearing this I could not wait for it. There was always that worry of what if I was unable to do the puja on the dates that they come to Orlando. I started praying to Seethamma to help and grace me with this opportunity. The closer the dates got the more excited and scared I got (about missing the puja I picked the first date that the yatra started and left everything else at gods feet.

On Dec 12th guruvu garu came home to stay the night, the minute I saw his divine face all my fears vanished n only excitement remained. Guruvu garu and Ram parivar already landed home.

Finally on Dec 13th at 7 guruvu garu brought in Hanuman into our homes. What a divine experience it was when he opened the ratham doors and showed us the whole parivar (every time I think of it I relive that beautiful moment tears swell up) it was then that I knew god has come home to be with us and to take care of us. Taking him around the home and doing the puja was such a blissful experience. Every part of the puja was beautiful. The sri hunuman badabanala stotram recital was an experience I cannot overcome and cannot get enough of. The ultimate experience was when guruvu garu gave us our own Hanuman and blessed us saying that he has come home now and will be with us here on. I feel like all my prayers have been answered and been blessed to be able to take part in this Yatra.

This could not have been possible without the blessings, prayers and help from so many people starting with god Hanuman, guruvu garu and so many seva volunteers. Thank you for giving us this unforgettable beautiful and divine experience.

My family and myself are blessed to be part of this yatra. I never thought even in my dreams that we will get such a blessed opportunity to perform lord Hanuman Pooja at our home and keep that idol in our pooja mandir.

We all were so excited that lord Hanuman knocked our doors and stepped into our house. We were happy to see the Ram parivar in the ratham and got blessings. We all learnt so many new things from guruva garu and will remain with us for the rest of our lives.

This is nothing but lord hanuman's blessings on all of us who participated and supported this yatra. I wish god give us the opportunity to be part of the Sri Rama temple opening ceremony. Looking forward for it.

Thanking guruva garu and all seva volunteers for making this happen.

That was a truly special and spiritual experience! Performing the Hanuman pooja at Pavanasutha Hanuman Muhurtham have been a powerful and uplifting experience, especially with our loved ones by our side.

The vibrant atmosphere and collective energy of the gathering have indeed been amazing, and it's wonderful that our family and friends got to experience it too. Hanuman is a revered deity in Hinduism, known for his devotion, strength, and wisdom, so it's beautiful that we got to connect with his energies on this special occasion.

It's wonderful that we felt a positive impact from the Hanuman pooja. The energy of such spiritual gatherings can be truly transformative, and it's great that we were able to tap into that. The sense of peace, calm, and renewed energy we felt is a testament to the power of faith, community, and spiritual practice.

It's great to hear Guru ji's storytelling which had a profound impact on the kids. Spiritual leaders like Guru ji have a unique ability to connect with children and impart valuable life lessons in a way that's both engaging and easy to understand. The fact that the kids were impacted by Guru ji's rendering of the story is a testament to his ability to convey complex spiritual concepts in a simple and relatable way. It's clear that Guru ji has a gift for inspiring and educating young minds. Our pranams 🙏 to Guru ji 🙏.
