One day I felt bad and thought to myself that Sanka family couldn't do our annual puja this year and the very next day I got a call from Shireen telling me about Guruji's Hanuman puja at Indianapolis and if I was interested to perform at my house. My joy knew no bounds when I heard this, and Sai immediately okayed for it. I was excited about the puja and picked the evening slot so that Hanuman along with Guruji would stay in my house for the night and what a blessing I felt!

The final day arrived, and Hanuman finally entered my house-temple that I would always feel. Guruji planned so well that his knock meant as if Hanuman was knocking our door and we did aarti and welcomed Him. Guruji had me carry the flag and Sai carried Hanuman's photo and went all around the house (gruha pariyatana) which I felt got more sanctified with His divine presence. Then, Sai carried the idol to the puja area after few ladies gave Aarthi to Hanuman.

The puja was performed in a beautiful way with Rama nama tarakam along with abhishekam to Hanuman that all the devotees got immersed in Rama nama. Guru ji said wherever Hanuman puts His feet, there is Mangalam in that house and drives away any negative energy or forces sanctifying the house. Another blessing was receiving Hanuman's statue smeared in sindoor which I placed in my altar. Hanuman came directly from Bhadrachalam to Indiana through Guruji and we are indebted to him for his perseverance, devotion, and love for Rama and to have a temple constructed for Rama Parivar. Guruji is Ramadasu of Kali yuga where he has no limitation to his ability to serve Lord Rama. May each of us be part of the temple construction in Atlanta through Hanuman puja or by any means. Where there is Hanuman, there is no word impossible or dearth for completion of Rama kaarya.

Asadhya sadhaka swamin asadhyam tawa kim vada.

Rama doota krupaa sindho mat karyam sadhaya prabho

Oh Lord Hanuman, the messenger of Lord Shri Rama, please bless us so that the impossible becomes possible.

Devotee Divine experience about the puja: We felt blessed when Sri Anjaneya Swamy arrived at our home. The positive energy felt was immense. The darshan of Sri Rama Sita Parivaram was a divine experience. As always, Acharyaji was very patient and conducted the pooja in a smooth way. We also had the divine presence of God overnight and the Anjaneya Swamy namavaLi recited by Acharyaji was a blissful experience. Jai Anjaneya Swamy 🙏🙏🙏
