We feel very blessed for Guruvugaru performing Sri Anjaneya Pooja in our house. It was an emotional moment when Lord Hanuman's Vigraham was brought into our house and all the bhaktha Sri Rama and Sri Anjaneya songs that were played while the Pooja and Abishegam was being performed by Guruvugaru. Our heartfelt thanks for Dhevudu's Anugraham and Ashirvathams for being chosen to participate in this great cause. 🙏🙏

Rama Bhakta Hanuman's blessing visit to our home will be reminiscent in our memory for ever. We not only got the chance to do Abhishegam and Pooja to Lord on an auspicious Saturday but also He stayed with us for the whole night and gave the house Divine aura.

Guruvugaru chanting Rudra and other stotras was exemplary and gave a temple feeling to all present.

We are blessed to have Lord's visit to our home. Our pranams to all noble people who are instrumental in bringing the temple construction project. The idea of visiting all 108 Divya Desams before coming to USA has given the blessings of Alvars to this temple also.

With our deepest respects to respected Acharyaji, it is our great pleasure and honor to share our divine experience with this esteemed group. The news of respected Acharyaji visiting Kansas immediately after the completion of the Khagola Yatra a sacred journey carrying the Lord around the world in eight cardinal directions—filled us with immense joy and gratitude. It was truly a blessing to have the Darshanam of the Lord during the auspicious month of Kartheeka Masam.

We are profoundly blessed and fortunate to have hosted the pooja at our home as part of the Sarvam Sri Ramaarpanamastu program. The divine vibrations during the pooja, especially while performing abhisekham to Lord Hanuman and chanting Rudram alongside listening to the Badabanala Stotram, created an indescribable spiritual atmosphere. These blessed moments, made possible by the guidance and presence of respected Acharyaji, were truly transformational for our entire family.

Words cannot capture the overwhelming joy we felt as Lord Hanuman graced our home, bringing divine energy that lingered throughout the night.

For those who have already had the opportunity to perform this pooja as per respected Acharyaji blessings Mangalam (auspicious moments bundled with blessings) to happen soon as a treasured experience. To those waiting for their turn, we wish for you to soon partake in this divine joy and feel the grace of the Lord.

We owe the success of this Yatra to the collective efforts of so many. Our heartfelt gratitude goes out to the 15 devotees who initially signed up and performed the pooja, paving the way for this Yatra's visit to Kansas City. This initial support made it possible to extend the Yatra to two weeks, allowing 53 additional devotees to partake in this unforgettable spiritual experience.

Padmaja and I are deeply humbled and sincerely thank each and every one of you for your unwavering support, kindness, and cooperation in making this Yatra possible. Your generosity and devotion have been the cornerstone of this event's success.

We would also like to extend our heartfelt appreciation to all families, the volunteers, both from BSRT and locally, for their tireless and dedicated efforts. Your selfless service has been truly inspiring and invaluable.

In Lord's service at every blessed opportunity,

Saripalli's family

Firstly, a heartfelt thanks to the SEVA group.

We are very fortunate and blessed to be one of those devotees chosen by Lord Hanuman to take part in bringing Bhadradri Sri Rama Temple of the USA to fruition. There are no words to express the feeling our family experienced when Lord Hanuman entered our home. IT IS ONCE IN A LIFE EVENT ONE MUST EXPERIENCE.

We wholeheartedly thank Sri Archakam Padmanabha Acharyaji for walking us through the pooja, teaching and engaging with kids and for bringing all the needed decorative puja items in advance.

Thank you all.

When we first did Seetha Rama kalyanam in April 2017 ,I felt very divine and felt like doing this one more time.And when hanuman puja was announced I was so happy.But I feel like I miss Rama Parivar.When doors were opened to see Rama in front of my house at puja I see Rama with very big smile kind of laughing with cheeks spread not just smiling and felt so divine.And when my husband hold Hanuman and bringing inside and while doing welcome harathi I felt hanuman face is so alive with lots of love and devotion in his face. I clearly witnessed how his mouth is opened with utmost love and devotion on Rama and also Karuna on all of us.

The puja went so great and We can feel all the vibrations during abhishekam and during Rudram and while doing aarti with Rama Rama rama rama nama tharakam song.We are feeling very blissful as we get opportunity to do this puja at our house.And when Rama parivar is leaving next day morning and when doors opened to see Rama for last time I see a normal pleasant smile on Rama,Seeta and Lakshmana Swamy.So when I compared his faces before and after there is lot of difference.It was a very blissful event to our entire family.We can clearly see how kids are involved during puja which we are not seeing in them from many years.

Thank you so much Padmanabhachari Garu,Rao Garu,Padmaja Garu,all other volunteers and friends and family who helped us to be part of this blissful event.

Jai Sri Ram 🙏

YATRA CONTINUES.....
