We are filled with a profound sense of gratitude and blessings after the recent Hanuman Pooja conducted at our home. The atmosphere was imbued with spirituality and devotion, creating a serene environment that brought all of us closer to the divine.

Firstly, I would like to extend my heartfelt thanks to the poojari garu, whose dedication and skill truly elevated the entire experience. His deep knowledge of the rituals and prayers made each moment feel meaningful. He guided us through the pooja with grace, ensuring that we understood the significance of each step. His calming presence and sincere devotion instilled a sense of peace, allowing us to fully immerse ourselves in the spiritual proceedings.

We cannot forget the blessings of Lord Hanuman, whose grace we felt throughout the pooja. The energy in our home transformed, filling our hearts with faith and positivity. It was a powerful reminder of the strength and protection that Lord Hanuman provides to all his devotees. We felt truly fortunate to have had this sacred occasion, as it reinforced our connection to our faith and the divine.

Our family is truly blessed to be part of this Yatra. Thanks to Vinay who told us about this yatra and we felt truly special and gained Devine experience while performing the pooja. We are very thankful to Guruji, the way he explained the significance of lord Hanuman and the deeper meanings behind the mantras helped all devotees to connect with the divine on a much deeper level. Again getting Sri Ram parivar darshan is the best moment to start the year ahead with such a positive note. Jai Sri Ram!

We are very blessed to invite lord Anjaneya Swamy to our home. When Swamy Idol arrived we got very emotional & blessed.

Archakam Acharya Poojari Garu explained so many things that we don't know. For example how the "RAMA" name was chosen for lord Ramachandra Prabhu. All the small kids who attended pooja listened to Poojari Garu's explanation paying attention 🙏🙏.

Seeing Ramparivar idols is a divine experience 🙏🙏🙏.

The pooja & Abhishekam for Swamy idol is a great & divine experience for our family. Swamy & Poojari Garu's stay with us is an unforgettable blessed memory.

About Archakam Acharya Poojari Garu he is the most energetic person we ever witnessed daily 5 poojas in 5 different locations in Orlando traffic it's not easy for a normal person 🙏🙏🙏.

We are all Blessed to have this opportunity

Jai Sri ram

We have no words to explain how we felt upon receiving the Swamy vigraham. My eyes were filled with tears, uncontrollably. I couldn't take so much of blessings by the lord. Commendable job by organizing committee, volunteers. Your seva is Devine. Archakam swamy performed the puja with double energy and enthusiasm. We traveled Hanuman world. Can't thank enough to see the Ram parivar Murthy. Can't wait to see the temple constructed and open to devotees.

Jai Sri Ram!

We experienced such a divine bliss during the whole puja. We felt the energy the whole time, still experiencing. Guruvugaru's explanation about the journey of the Utsava vigrahas from Bhadrachalam to USA was really amazing. Doing the abhishekam to Lord Hanuman Idol with our family & receiving it was a memorable experience.

Everything was so well coordinated & organized. Special thanks to Sandhya Yeduvaka garu, for patiently answering all our questions in multiple calls & Jahnavi garu too.

May Lord Hanuman's blessings continue to shower on all of us all the time.
