Jai Sri Ram, It is a very blissful evening, every person including kids attending the event could able to emerge themselves into the divine experience. We could able to hear the echo of Rama, Rama in our house for many following days. Kids started chanting rama, rama as a normal Hyme. Kids became curious to know more about Sanatana dharma. This evening brought back my memories as kid living Infront of Sri Rama temple. It is an experience which is beyond the pooja ritual, It has taken us (every family member) one step towards the spiritual journey. Guruvugaru's dedication and consistency throughout these journey is an inspiration to us in 100 different ways. The Pooja on the first day till the Pooja on last day, his dedication has not changed a bit.

JaiSriRam.

There are so many childhood memories attached to this slokam. We grew up reciting Hanuman Chalisa everyday with Rama Namam in our house. Tuesday or Saturdays have always been a ritual of doing 108 pradhakshanam around Anjenaya Swami in the temple. As stated in the above sloka, “Wherever the Glories of Raghunatha are Sung, there, with Hands held over His Bowed Head in Salutation, and Eyes Filled with Tears, Maruti (Bhakta Hanuman) is Present; I Salute Maruti Who puts an End to the Rakshasas” Our parents instilled in us the greatness of worshipping Hanuman ji right from young age. He is represented as the Strongest, Mightiest, Powerful, Energetic, Courageous and full of Wisdom and praying him would bless us with these qualities and he is always by our side protecting and leading us on the righteous path. Hanuman is considered the living embodiment of the Karma Yogi (one whose meditation and devotion are demonstrated through hard work or service) and having to perform the Anjenaya Raksha pooja by Shri. Archakam Padmanabha Guruvvu Garu at our house is a blessed opportunity once in a lifetime. When I was first informed about the pooja I was little disheartened as I might not be able to do the pooja at our house as we are under renovation process and would be missing the opportunity of having Anjenaya Swami come to our house with friends and family and shower his blessings. But Guruvvu Garu gave us the encouragement to perform the pooja and with Anjenaya Swami’s blessing our Pooja room was finished and it was consecrated by our beloved Hanumanji’s pooja. Guruvvu Garu’s dedication, devotion and consistency in the pooja throughout the Sravan Shri Ramaarpana Masthu journey is a sight to behold. It is rightly said by one of the devotees that Guruvvu garu is for sure modern Ramadasu 🙏🙏🙏. A big thank you to Guruvvu garu, volunteers, Dinakar garu, Meera Garu and Sridhar garu for providing the opportunity and helping to perform the pooja at our home. We look forward to many more blessed opportunities in the future.

We are blessed to be part of this unique and mesmerizing Lord Hanuman divine Yatra as part of our Guru garu Padmanabhacharya's sankalpam of building Bhadradi Temple in USA. We had blissfull experience of having whole day Rama Kalyanam for Lord Rama parivaar at our house 4 years back and now Lord Hanuman knocked our door on auspicious Shivarathri day. Guru garu performed Rudrabhisekham to Lord Hanuman at our house and all my friends and relatives chanted RAMA namam while abhisekham going on. Our feelings and joy cannot be expressed in words. It's simply mammoth divine feeling in our hearts and rama namam echoed in our whole house. Guru garu explained the significance of yatra and explained about powerfull Panchamukha Anjayneya swamy who can remove troubles, Dukha and Rogha in our life. we can never forget this experience , this puja will be fresh in our memory for lifetime Just like Rama kalyanam performed in our house. Thanks and padabhi vandanamulu to Guru garu for giving opportunity to invite Lord hanuman to our house and to be a local volunteer to offer our services to lord's feet.

It was a divine opportunity blessed upon us to be part of the divya sankalpam of building the Bhadradi Sri Rama Temple of USA and Sarvam Sri Ramarpanamasthu yatra. Guruvu Gari divine sankalpam and vision to build the temple in USA is unique as no one has ever done till date, performing of Sri Rama Parivar Aradhana and puja in all 106 of 108 Divya Desams. We were also so fortunate to perform Sri Sita Rama Kalyanam at our house in 2018 by Guruvu Garu. His relentless dedication, devotion and discipline is amazing and is second to none. We have been eagerly waiting to be blessed by Guruvu Garu the Pennsylvania yatra. Our joy and happiness were boundless when Lord Hanuman came to our house. Guruvu Garu performed the puja very blissfully and traversed us to the divine world during the entire puja process. All devotees wait is coming to an end with the divine blessings, the Bhadradi Sri Rama Temple of USA will become a reality soon.

Carrying Lord Hanuman idol and entering the home was unforgettable moment and the presence of Lord Hanuman made us and our friends more devotional. Respected Guruvugaru performed the pooja with great dedication and determination and helped us understand the importance of ones contribution towards the temple construction. Guruvugaru appreciated all the kids for their devotion to the lord through out the pooja and interacted with the kids and told them about the Valmiki story which made them curious to know about ramayanam. Jai Sri Ram 🙏 It was a very blissful morning and life changing experience for us. Lord Hanuman coming to our humble dwelling is something very emotional and spiritual experience for us. Since it was a weekday and early morning, was not able to have more friends. Still it was the Rama nama and good vibes that filled air and gave the atmosphere of celebration. We consider ourselves fortunate enough to have this opportunity to serve lord in least possible way. Guruvugaru's bhakti, dedication and consistency from the day 1 to the end is very inspiring and admirable 🙏

On this day our home transformed into holy abode of Bhadrachala Sri Anjayaneya. It is a experience to be felt rather than expressed in words. It is such a blessing that, although we live so far from our home country, we got this kind of opportunity. The whole event was very well managed by Sri. Archakam Padmanabha Acharyulu. He miraculously setup everything within 10 mins, followed by Sankalpa, Archana and all the pooja vidhanas. Hats off to him for doing this everyday from past so many years. May lords blessings be on him for ever. Our mind and soul were engrossed by Lord's presence and worship. May lords grace be upon all of us. Thanks to all Volunteer's 🙏 Jai Hanuman 🙏

We wanted to thank the priest for the great Lord Anjayanaya pooja. It was spectacular, and we enjoyed it very much as well as the people who attended. The pooja went smoothly, and the priest was very good in his explanation of the pooja conducted. He was so down to earth and had a good sense of humor. Everyone had a very auspicious day in observing the Lord Anjanaya pooja. We were blessed to be part of this event. Kudos to all the volunteers. Jai Shree Ram 🙏

We were enraptured to have this blissful opportunity to host this spiritual occasion to offer our prayers to Lord Hanuman at our house. Lord knocking our door to announce his presence in itself is stimulating. Then offering prayers to his lotus feet in the presence of our family and friends, directed by guruvu garu and assisted by the seva volunteers is absolutely stimulating to all senses. We are delighted to be part of this great journey. Jai Sri Ram.

Jai Sri Ram guruvu garu 🙏

Your divine sankalpa of building a replica of Sri Bhadrachala Sri Sita Ramachandra temple is a great blessing for each and every one of us. Welcoming Rama parivar, bringing bhakta Anjaneya into our homes and the way you perform pooja is such a divine experience. It is mesmerising to see all the little kids sit and participate in the pooja without deviating. Without the blessings of almighty, we might not have been able to partake in the pooja. We really appreciate your patience, your energy, and especially the way you perform pooja and make all the devotees get immersed in the bliss of devotion. Thankyou so much guruvugaru and all the volunteers for bringing Hanuman, the great sevak of SriRam to our homes and serve him and making us part of your mission. We felt as if it is once in a lifetime experience.
