Jai Shree Ram!!

Thank You for giving the opportunity, which means a lot to us. We are blessed and our happiness is boundless. Swami changed our lives in couple of years , he completely twisted our lives in all the ways , which is only possible because of Swami. Today we are living peacefully its because of Swami. I went to Bhadrachalam in December and he came to my home which shows he listened to us. He always stands for us.After pooja we feel more blissful. Thank you so much Guruvu garu, we feel great as you have taken responsibility like Ramadasu garu and coming to our home with Swami and Rama parivaram. Thank you Chitra garu for letting us know about this pooja. Sarve jana Sukukhinobhavanthu.

Jai Shree Ram!!

Yesterday Divine Pooja on

Shravana Sukravara Krishna Paksha Amavasya

Under the divine canopy of this auspicious evening, our home was transformed into a sanctum of devotion and grace. With the *blessings of Sree Bhadradri Seetha Rama Lakshmana Sametha, and the powerful presence of Lord Hanuman* we were truly immersed in spiritual bliss.

ॐ Shri Acharyulu garu, with his profound knowledge and unwavering devotion, led the pooja with such precision and sanctity that every mantra echoed through the hearts of those present. Families gathered not just as attendees, but as seekers—drawn into a collective vibration of peace, purpose, and divine energy.

As the lamps flickered and the sacred sounds filled the air, many felt an indescribable wave of positivity. It was as if Hanuman himself stood among us, his gaze filled with compassion, his presence anchoring our prayers. 🕯️🕯️🕯️
